

AIMS & OBJECTIVES: 2008

Occupational Health and Safety Management objectives:

- 1 Maintain 0 reportable accidents rate
- 2 Reduce minor reports to 6 (2007 was 8)
- 3 Increase NMR by 50%

GenSet will achieve this by increasing awareness of near miss incidents, educating its employees, improving Communication through meetings and developing new procedures.

Environmental Management Objectives:

- 1 Calculate the carbon usage of each product, and use these figures on our sales literature
- 2 Use recycled paper for day to day and other documents, replacing the standard paper we use
- 3 Replace current "give away" items with recycled products or recycle friendly products
- 4 Reduce waste to landfill by 22% by 2009

GenSet will achieve these objectives by using smart processes, working with waste management partners and sourcing new products.

Joint Objectives:

- 1 Achieve and maintain ISO14001 and OHSMS18001 standards. (achieve by 28th Feb 2008)
- 2 Release to the public; OHS policy, EMS Policy, Objectives, Accident Rates and CSR statement onto our website
- 3 Maintain Internal and External Auditing of management systems

All of these objectives will be achieved by Dec 2008, and the results should be released onto our website in Jan 2009.
